

Affordable Connectivity Program (ACP) Consent

I, _____, hereby provide my written consent that Consolidated can enroll me in the Affordable Connectivity Program (ACP).

I am qualified for ACP Only Lifeline and ACP (check one box). I understand the ACP is a government program that 1) began on December 31, 2021, 2) reduces my broadband internet access bill and 3) is temporary. The program may end once the funds are exhausted. Once the program ends, I understand that my monthly bill will revert to the full monthly charges less any discounts and plus any taxes and surcharges, based on the terms and conditions of my agreement with Consolidated.

Consolidated may disconnect my ACP supported service after 90 consecutive days of non-payment of any past due charges associated with the supported service (calculated from the due date of the past due bill or invoice).

The ACP may end in the middle of the billing cycle resulting in less than the full monthly service credit for the final month of the program. If there is a partial benefit in the last month of the program, I understand I will be charged the amount higher than what I would pay if the full ACP benefit were applied to my broadband bill.

I understand that I may obtain ACP support from any ACP participant, and I can transfer my Affordable Connectivity Program benefit to another ACP participant at any time. I also understand that I am not able to transfer to another ACP participant more than once a month.

The ACP provides only one monthly discount on broadband service per household. Continued participation in the ACP benefit requires that I remain eligible under the designated qualifying assistance programs or income threshold criteria. Continued participation is also subject to annual recertification to be conducted by the Universal Service Administrative Company (USAC).

The Federal Communications Commission (FCC) has made available a dedicated complaint process to address subscriber issues concerning ACP enrollment or participating provider provisioning of ACP-supported services. The FCC's Consumer Complaint Center for ACP can be found at: <https://consumercomplaints.fcc.gov/hc/en-us>

Please consider your service options after the ACP has ended and indicate your choice:

- I wish to continue my broadband service with Consolidated after the ACP has ended.
- I do not wish to continue my broadband service with Consolidated after the ACP has ended.
